PRESS RELEASE

**Amanda Peredo, Tivy High School senior, was awarded the “Grandparents Raising Grandchildren” college scholarship by the Texas Conference on Aging. The Conference was hosted in Kerrville March 21-24.**

**“Each year we give a scholarship to a deserving student who is being raised by grandparents,” said Cindy Cornish, Conference Awards Chair. “ Miss Peredo submitted a heartwarming essay praising her grandparents for their love and guidance and expressed gratitude for the chance to live with them. She credits her grandfather, a Viet Nam veteran, for teaching her to persevere when facing obstacles,” said Cornish.**
