

Kerrville Independent School District Parental Involvement Program

Parental Involvement Program Overview

Participation and involvement of all parents is important. Parents spend more time with each individual child over the course of his/her lifetime than any teacher will. Parents play a vital role in the education of their children. By working together with parents and administrators, parents can build self-esteem and reinforce skills being taught with students.

Information related to Title One Schools:

(Daniels ES, Nimitz ES, Starkey ES, Tally ES, B.T. Wilson , Hal Peterson Middle School and Hill Country High School)

Parent's Right to Know:

Notification and information to parents must be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.

At the beginning of each school year, an LEA receiving Title I, Part A funds must notify the parents of each student attending any Title I, Part A Campus that the LEA will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student's classroom teachers, including, at a minimum, the following:

- Whether the teacher has met state qualification and licensing criteria for the grade levels and subject area in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria has been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.
