

# Kerrville Independent School District School Health Advisory Council (SHAC)

## ***SHAC Overview***

The **School Health Advisory Council** (SHAC) is an advisory group comprised of individuals who represent segments of the Kerrville Independent School District and the Kerrville Community. The group acts collectively to provide advice to KISD on aspects of the school district's health program. Generally, the members of SHAC are appointed by the Board of Trustees, the Superintendent, campus principals, or the Director of Special Programs.

The SHAC has a variety of roles addressing all components of a comprehensive school health program. These components include:

- Health instruction
- Healthful school environments
- Health services
- Physical education
- School guidance/counseling
- Food service
- Health promotion for faculty/staff
- Integrated school and community programs

Note: The focus for each school year may differ depending on recommendations from campuses and needs assessments.
