

TALLY STUDENTS SHARE THE LOVE Lollipops Lead to Learning

The Tally Student Council created a unique Valentine's drive to raise money for books to purchase and share with KISD's preschool program and children visiting the waiting rooms in Sid Peterson Regional Hospitals.

In just a span of five days, council members sold 1,150 lollipops. For every four (4) lollipops sold, a book could be purchased and donated in a student's name. Approximately 200 books were ultimately donated on behalf of Tally Elementary.

The next project planned will be "Bark for Life." This event will benefit the American Cancer. For more information on Tally Student Council projects, contact Debbie Cullen or Lou Anne Brown, Sponsors, at (830)257-2222.
