Antler Camp For the Class of 2015

Antler Camp will be held on Thursday, August 4, 2011 at 9:30 a.m., at Tivy High School. The camp is open to all incoming 9th graders who will be attending Tivy High School for the first time.

The purpose of Antler Camp is to facilitate the transition from middle school to high school by providing activities that focus on meeting the developmental needs of this special population. It will not only be a day filled with lots of fun activities, but also a day for renewing old friendships and creating new ones. It will be a day of building one's self-confidence, self-esteem, and trust in others. Students will also learn their way around the THS campus and meet their counselors.

Registration for the camp will begin at 9:00 am. For those in need, transportation will be provided. There will be bus pick-ups at 8:30 a.m. at Nimitz Elementary, Tom Daniels Elementary and the Doyle Community Center at 110 W. Barnett.

Students will be dismissed at approximately 1:30 pm for the day.

Tivy High School is located at 3250 Loop 534. For more information, call the THS office at 257-2212, then press "0" for the operator or ext. 235.
