

Kerrville ISD Literature Alignment Reserved for Grade Level Specified

KISD teachers have identified, by grade level, favorite books for class-wide reading assignments. This does not mean that all teachers on a specified grade level will use every book. Nor does this imply that titles not listed here will not be used. The listed titles indicate that teachers on the specified grade level have worked hard to develop units of instruction for the listed titles. The titles listed are reserved for the grade level specified. Teachers who teach a lower grade level should not use these books in **class-wide** readings or assignments.
