

KISD's District Mentoring Program

WHAT'S MISSING FROM THIS PICTURE?

YOU!

Our kids need mentors!

Can YOU fill this space?

Joining KISD's Mentoring Program fills a void, fills a

heart, and fills the academic, social, and emotional needs of kids across the district.

Become a Volunteer:

- We need campus mentors at every level for grades 1-12.
- We need mentors at our after-school programs — the Doyle School Community Center and the District Mentoring Center.

Simply complete an application and background check. We'll provide you with the training and match you with a student.
