

LITERACY PLAN 2018-2019

KISD'S VISION

Kerrville ISD believes in inspiring lifelong learners and creating a culture of continuous improvement for all students. Developing future-ready students and building a strong academic foundation in literacy. KISD is committed to helping our students discover who they are as a reader.

TEXAS LITERACY INITIATIVE

The goal of the Texas Literacy Initiative (TLI) is to ensure that every Texas child is strategically prepared for college and career literacy demands by high school graduation. The TLI integrates and aligns early language and preliteracy skills for children from infancy to school entry. For students in grades K–12, the TLI emphasizes reading and writing instruction.

WHAT'S OUR PLAN?

Through KISD's district-wide literacy initiative, the district will strive to engage students and instill a passion for reading for all students, ECC-12th. Each six weeks, campuses will have a specific theme they follow for the duration of the six weeks. Teachers and students will expand on this theme to create activities and lessons to build literacy skills and "Grit" for all ages.

Six Weeks Themes

All KISD campuses, ECC-12 will have 6-week reading celebrations with unified themes and activities. The themes are listed below and might vary depending on the campus:

- 1 Stamina
- 2 Bring a book to life/Engagement
- 3 A book tasting/Book Spark/Picture This!
- 4 Love Notes/Literacy & Modern Media
- 5 March Madness/Tournament of Books
- 6 Read Out
