

Virtual Learning FAQ SHEET

Please select the icon for more Frequently Asked Questions regarding the topic symbol.

Q: Technology Support for Parents and Students

Kerrville ISD transitioned to Virtual Learning on March 30th. During this process, questions may pop up regarding technical support.

- For questions regarding passwords, please contact the school's office.
- For questions regarding Seesaw and Office 365 platforms, please email your student's teacher.

Q: Upperclassmen

Kerrville ISD's Virtual Learning Goal is for all students to continue to learn and acquire the necessary skills outlined in our **Profile of a Graduate:**

Profile of a Graduate:

- Skills for 21st Century Life
- Ethical
- Creative & Critical Thinker
- Goal Focused
- Collaborative & Effective Communicator
- Grit

Q: Grading

Kerrville ISD maintains high expectations for all students. Teachers will provide feedback to students by using our Virtual Learning platforms, apps, and telephone calls. Submitted work will be reviewed and will be used to help determine student mastery.

- Teachers will continue to review student work while instruction is being delivered virtually.

Q: General

Although our buildings are closed, administrators, counselors, and teachers are available to help parents and students. Teachers will maintain conference periods for "live" communication through Zoom and Counselors and Principals are available for phone or virtual conferences.

Please do not hesitate to reach out if you have questions.
