

## How to Order 2022 Graduation Products

1. Go to the Herff Jones Graduation website:

<https://gradtogo.com/>

2. Scroll down this page to the E-Catalog for 2022 Senior Graduation & click 'Purchase Now'

3. Scroll down the page to enter your high school; Tivy High School should populate for you to select. Click 'Next' on the right.
4. Choose which products you want to order. For cap & gown, select 'shop grad products'. For invites, select 'shop photo products'.
5. To order ONLY a cap/gown/tassel, you will need to click 'continue shopping' on the bottom of each order page until you advance to the Graduation A La Carte page. On this page, you can select to order the package containing just the cap/gown/tassel. If you have a current Tivy graduation gown (with the Tivy logo embroidered on it) from a sibling, your graduate may wear that. If you would like only the 2022 tassel, you may order that on this page as well.
6. Scroll down to continue advancing to checkout.
