

How to Order 2023 Graduation Products (Including Cap & Gown)

1. Go to the Herff Jones Graduation website:
<https://gradtogo.com/>
2. Scroll down this page to the Purchase Now: Caps, Gowns, and Graduation Products button. Click on 'Purchase Now'.

3. Scroll down this page to enter your high school; Tivy High School should populate for you to select. Once Tivy is selected, click 'next' on the right.

4. Choose which products you want to order. For Cap & Gown, select 'shop grad products'; for Invites & Photo products, select 'shop photo products'.
5. **IF YOU ONLY WANT TO ORDER A CAP, GOWN, & TASSEL:**
You will need to scroll down and click 'continue shopping' on the bottom of each order page until you advance to the Graduation A La Carte page. On this page, you can select to order the package containing just the cap, gown, & tassel. If you have a cap & gown from a previous graduate (must be the gown with the Tivy logo embroidered on it), your graduate may wear that. You can order the current tassel from this page as well (it is listed as a Memory Tassel).
