After four years of Air Force Junior ROTC at Tivy, cadets will have completed four distinct courses in Aerospace Science and four distinct courses in Leadership Education.

Notes: Wellness is included in each year's classes.

1. Holm Center (AFJROTC) provided materials are used for all courses listed.
2. Aerospace Science (AS) and Leadership Education (LE) are blended, with Wellness (W) being taught one day per week (usually Friday).
3. Classes for are grouped by cadet year (1, 2, 3, 4) and are listed in a color coded block.
4. In above matrix, if Lessons are not specified after Unit or Chapters, then all Lessons in that Unit or Chapter will be taught in that color coded block.
