

2021-2022 District Committees

“Academic Excellence Committee”

Charge: The Kerrville Independent School District “Academic Excellence Committee” will research “best practices” and programs district wide.

“Audit Committee”

Charge: The Kerrville Independent School District “Audit Committee” will meet with the auditors to review the annual audit. The committee will interview and recommend auditors when needed.

“Budget Committee”

Charge: The Kerrville Independent School District “Budget Committee” will serve as a regular standing committee providing campus, parental, and community input throughout the development of the KISD annual budget. The “Budget Committee” is comprised of parent/citizen members, board members, administrators, and instructional staff.

“Faculty Community Advisory Committee”

Charge: The Kerrville Independent School District “Faculty Community Advisory Committee (FCAC)” will serve as a regular standing committee. In compliance with Education Code 11.251, the FCAC shall review educational goals, objectives, and major district-wide classroom instructional programs identified by the Board or school superintendent. The FCAC shall also recommend the district calendar, discuss campus concerns, and approve district-wide staff development programs.

“Leadership KISD Committee”

Charge: The Kerrville Independent School District “Leadership KISD Committee” will develop and implement a program to increase community knowledge and involvement in the KISD school system.

“PTO President’s Advisory Committee”

Charge: The Kerrville Independent School District “PTO President’s Advisory Committee” will be a regular standing committee that will meet two times per year to facilitate open dialogue and enhanced communication between the superintendent and the campus PTO presidents. The agenda for each meeting will be superintendent initiated and shall be based on committee requests and district-wide concerns.

“Safe and Drug Free Schools Community Committee”

Charge: The Kerrville Independent School District “Safe and Drug Free Community Committee” meets four times a year to review, evaluate, and recommend effective drug and violence prevention programs based on identified school community risk and protective factors.

“School Health Advisory Committee”

Charge: The Kerrville Independent School District “School Health Advisory Committee” meets four times a year to make recommendations on district wellness policy, human sexuality curriculum, and the amount of time and appropriate materials for instruction and other health and wellness issues.

“Title III Limited English Proficient (LEP) Team”

Charge: The Kerrville Independent School District “Title III Limited English Proficient (LEP) Team” meets two times a year to review and evaluate LEP student academic performance in relation to regular student performance as well as create and monitor an effective continuous improvement plan. The committee will also recommend scientifically based programs to decrease the academic achievement gap between LEP students and other students, as well as target weaknesses for intervention.
