

## **SUMMER SCHOOL GUIDELINES**

1. Current 9th and 10th grade students may gain no more than 1 full credit through credit recovery.
2. Current 11th grade students may gain no more than 2 full credits through credit recovery.
3. Students are responsible for bringing their own snacks.
4. **Attendance:** Students must be present and on time to all classes. Students will not receive credit for the course if they miss more than one (1) scheduled class per two-week session. *There are no excused/unexcused absences. All absences will count against the attendance requirement for summer school.* Three tardies will constitute one absence. More than 10 minutes late to a class constitutes one absence.
5. **Grading:** Students will work at their own pace on APEX computer based curriculum. Content area teachers will be available for questions and guidance. Credit will be awarded if documentation verifies both mastery of required course content and required attendance. Students must achieve at least 70% mastery during the summer school class in order to receive credit for the class (simply attending does not guarantee credit will be earned). Grades earned in summer school will not be calculated toward GPA or class rank.
6. **Discipline:** Students are expected to comply with all rules as outlined in the Student Code of Conduct. A violation of the Code or disruption of a class can result in a student being withdrawn from summer school with no refund of his/her tuition.
7. **Dress Code:** Standards for the regular school year will apply.
8. **Transportation:** Buses will be provided for students taking credit recovery ONLY. Central pick-up/drop off times and locations will be based on residence location.
9. **Registration:** Students planning on attending summer school must submit their completed registration form and payment to the Assistant Principal's Office on or before May 30, 2021. Students will be reminded of start dates for specific courses at time of registration.
