

Beginning of the Year Dismissal Procedures

Parents: The following is a brief overview of the Tom Daniels dismissal procedures.

Car riders:

Students who are car riders will wait with their class in the gym. Traffic will flow through the back loop on Olympic Drive, and students will load cars outside the gym. Students will have their names called on a walkie talkie and meet cars in the loop.

Parent Walk Ups:

If you wish to walk up to pick up your student(s), you may do this. There will be a designated parent pick up zone marked near the gym. Kinder and 1st grade students will have a separate parent line marked on the pillars outside of the gymnasium. Students will have their names called on a walkie talkie and can meet their parents on the sidewalk outside of the gym. **Please bring student name cards.** This allows staff to more efficiently call student names. Parking will be available in the front loop or in front of the school. Please avoid spaces that will inhibit the flow of traffic or busses. **In addition, please avoid walking through the traffic loop.**

Walkers:

Students who are walkers will have to walk off campus using one of our crossing guards that go either direction on Singing Wind.

***Walking to a parent that is parked on campus will not be an option.**

Bus Riders:

Buses will now pick up students in the front loop.
