

weather

R-1

2.8A

what it feels like
outside

temperature

R-1

2.8ABC

how hot or cold
something is

wind conditions

R-1

2.8A

how fast air is
moving

precipitation

R-1

2.8A

water that falls to the
Earth in the form of
rain, sleet, hail, or snow

cloud coverage

R-1

2.8A

the amount of
clouds in the sky

rain guage

R-1

2.7A

a tool used to
measure the
amount of rainfall

wind sock

R-1

2.8A

a tool used to show
the direction of the
wind

thermometer

R-1

2.8A

a tool used to
measure
temperature

data

R-1

2.8A

information that
has been collected

condensation

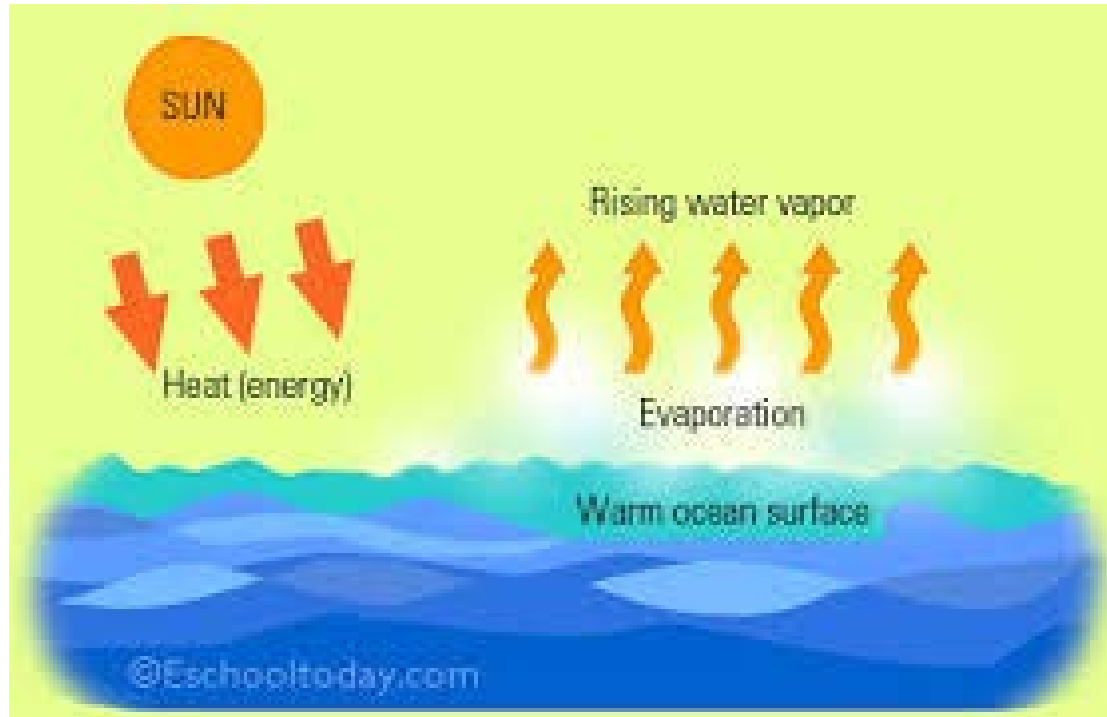

R-1

2.8ABC

process of water
changing from gas
to a liquid

evaporation

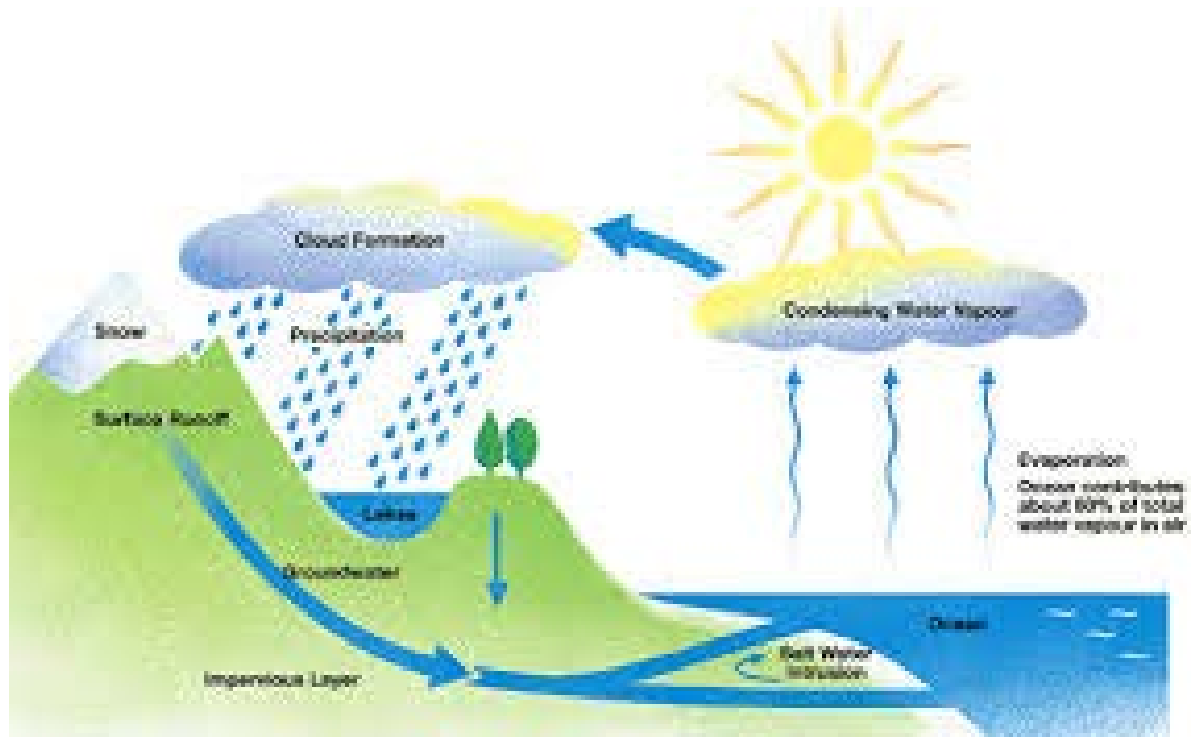

R-1

2.8ABC

process of water
changing from a
liquid to a gas

water cycle

R-1

2.8ABC

the changing of
water from one state
to another as it moves
through
Earth's environment

pattern

Spring

Summer

Fall

Winter

R-1

2.8ABC

something that repeats
